

Author Declaration for the Journal of Science and Technology (IST)

We, the authors of the submitted manuscript entitled "

.....
.....
.....,"

hereby declare that:

1. Our manuscript is an original work that adheres to all ethical guidelines and standards associated with research and publishing.
2. There are no conflicts of interest to disclose among the authors.
3. We have collectively (If there are multiple co-authors) reviewed and approved the manuscript, and there are no financial conflicts to declare.
4. We confirm that this article is unpublished and is not concurrently under consideration by any other publication.
5. We have conducted a plagiarism check, and we will submit the report to the journal during the article submission process. We are solely responsible for addressing any plagiarism-related issues.
6. We bear full responsibility for all aspects presented in this article, including concepts, copyright, outcomes, and statements, and will manage any future issues
7. We bear sole responsibility for addressing any forthcoming matters pertaining to this article, and we acknowledge that the journal's editorial board members are not accountable for future issues related to this article.

We confirm that all the mentioned points above are correct
